

# EVERWIPE™

Everyday | Everywhere | Everwipe

## 404-40

### Description

Everwipe's Premiere Centerpull Heavy-Weight DRC White Wiper. 9"x12" sheet size. 4 rolls/case, 200 sheets/roll, 800 sheets/case.

### Features & Benefits

A heavier grade DRC wiper than the 202 series. This wiper offers all of the same benefits of its counterpart but can withstand heavier wiping environments and offers increased absorption capacities. Ideally suited for polishing, glazing, paint prep, and solvent based tasks. Strong enough for the toughest industrial setting while soft enough for use on the hands and face.
